Corporate membership is a flexible membership whereby a member can substitute any other representative within the firm to attend events on the company's behalf.

This membership is not transferable if the member transfers to a new firm.

This corporate membership would allow a company to substitute representatives for as many corporate memberships as they purchase, i.e., if you purchase one, any one company representative can attend Board events, etc. The mandate will be that the corporate membership would not be transferable to any new firm or new company.

The membership would remain with the originating, dues paying company.

One company can purchase as many corporate memberships as desired.

*Application fee is a one-time fee paid by new affiliate members only. Subject to change.
